Washington, D. C. 20505

Dear Jim:

Thanks very much for arranging for George Carver to address the National Conference of Civilian Aides to the Secretary of the Army held here in Washington this week.

As the first scheduled speaker of the day, his talk set the framework for ensuing discussions and was a valuable contribution to our meeting.

I am most grateful to you for your courtesy in making Mr. Carver available to us for this task.

Sincerely,

Robert F. Froehlke
